4 scroll stitch selection keys	Thread cutter	Free arm/flat bed convertible
Stretch stitch adjustment	Start/stop button	Carrying handle
5 mm maximum zig zag width	Speed control lever	Electronic foot control
4 mm maximum stitch length	Needle up/down button	Hard cover
4 piece feed dog	Thread tension control	
Horizontal full rotary hook	Drop feed dog lever	

Magnetic Type Full Rotary Hook

The bobbin is easily inserted from the top, and your thread supply is visible under the see-through cover.

Automatic Buttonhole Foot

Drop your button into the sliding gauge and the foot makes your buttonhole the right size every time.

Fail-safe Needle Insertion

You can't put the needle in the wrong way. Protecting you from damage to the needle itself and the needle plate of your machine.

Snap On Foot Conversion

Press the black lever to release the foot. To attach another foot simply lower the lifter and the foot snaps into place.

Extension Table & Removable Storage Compartment for Free Arm Sewing

Store your presser feet and other accessories in this handy compartment. It easily slides off for free arm sewing.

Built-in Needle Threader

Hook the thread across the threader and it pulls the thread through the needle. No more squinting.
