

JANOME

MECHANICAL SEWING SERIES

S509

S509 Features

Magnetic horizontal full rotary hook	Adjustable foot pressure
7 built-in stitches including 4 step buttonhole	Convenient one-hand thread cutter
Convertible free arm for circular sewing	Quick foot conversion
Accessory storage	Drop feed dog lever
Extra high presser foot lift to allow easier placement of thicker fabric	

Magnetic Horizontal Full Rotary Hook

Jam-proof, magnetic, top-loading full rotary hook system that eliminates the bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the transparent hook cover plate.

Accessory Storage

Sewing accessories are conveniently stored underneath the machine.

Convertible Free Arm For Circular Sewing

The detachable sewing table easily slides out of the way to reveal the free arm – so handy for sleeves, cuffs, and hard-to-reach areas.

Convenient One-Hand Thread Cutter

Since threads are cut neatly, you can easily start sewing again, without the trouble of tangled threads or an unthreaded needle.

Drop Feed Dog Lever

For attaching buttons, free-motion quilting, darning, etc., simply slide the lever to drop the feed dog.

Quick Foot Conversion

Just press the lever to remove the foot. To attach, lower the presser foot lifter to snap it into place.
