

Cut More. Create More.

The Digital Cutter for Crafters and Sewists.

Artistic Edge 15x

Artistic Edge 12

INCLUDES
Artistic
SimpleCut
SOFTWARE

Artistic SimpleCut

Easily create your own personalised crafts and projects using Artistic® SimpleCut software. This unique program allows you to create your own designs for cutting a wide variety of materials, including cardstock, paper, rhinestone templates, stencils, iron-on vinyl, fabric, and more. The included software can do much more than just basic editing. Feel free to use imported designs, or choose from one of the 3,500 built in designs. Make one of a kind appliqué from embroidery designs, graphic fonts and images. Choose from one of the many built-in appliqué stitches and send to an embroidery machine to create beautiful, precise appliqué.

The World of Crafting is Unlimited...

Fabric Cutting

Design and cut appliqué for garments, quilt blocks, and home decorating projects.

Decorative Stitching

Use decorative stitching to create original quilts.

Print and Cut

Create collages, greeting cards and scrapbooks with the Print and Cut feature.

Connectivity

The Edge 12 and Edge 15 can connect to a PC via USB. For desktop users, the Edge 15 offers Wireless connectivity.

Open System

SimpleCut software accepts multiple design and cut files and can import the following file types:
.ai / .draw / .eps / .jpg / .png / .svg

Quilting

Create, cut, sew, it's that easy to make stunning quilts.

Included In The Box

Each Edge comes with 2 cutting mats (High and Low Tack), Fine Tuning Adjustable Blade Holder, 3 industrial strength cutting blades (Standard, Fabric, Thick Material), Pen Holder, USB Cable and Power Cable.
